P210®

THE LEGEND RETURNS, The SIG SAUER® P210®, the timeless pistol of the Swiss Army, is once again in production by SIG SAUER GmbH in Germany. This historic gun features the same precision and reliability as its ancestors, but also offers a number of modern improvements. The carbon steel slide, machined from solid billet steel, now features a durable Nitron® coating, and the improved beavertail adorns the Nitron coated, heavy-style, carbon steel frame. The P210 Legend also offers an improved manual safety, internal drop safety, side magazine release, and custom wood grips. The return of the SIG SAUER P210 Legend will now ensure that many more shooters will be able to enjoy one of the world's most accurate and legendary firearms.

Left-side controls

Custom wood grips

Adjustable target sights (Target model)
